Your request

How does your organization work toward benefiting children?

What is the amount of your request and how will these monies be put to use?

Will all requested monies must be kept local (York, Adams, Franklin counties)?

Who will be responsible for picking the donated items up at Rutter's Dairy at 2100 North George St York, PA 17404?

We will contact your designated contact person via email about the status of your request.

As a rule Rutter's does not make monetary donations other than through its Children's Charities. These funds are awarded to specific charities chosen on a yearly basis. Rutter's also has a deli sub fundraising program available as a means for individuals and other groups to raise money.
